Micro Tubes

Micro Tubes play a critical role in micro irrigation systems, especially in orchards, greenhouses, and nurseries. They are widely used with micro sprinklers, drippers, and automation systems to provide precise irrigation solutions. Manufactured using PVC or Low or Medium density polyethylene, their durability and ability to operate under various climatic conditions and water pressure up to 6 bar make them suitable for various agricultural needs.

HIGHLIGHTS

- **High Durability:** They are designed to perform under tough environmental conditions, including extreme climates.
- UV stabilised and Oxidation resistant
- **Chemical Resistance:** Resistant to acids, saline water, and fertilizers, making them ideal for agriculture.
- **Multiple Length Options:** Available in rolls from 50m to 500m or in pre-cut lengths for easy installation.
- **Pressure Rating:** Capable of handling up to 6 bar pressure, ensuring consistent water distribution even in larger systems.
- **Colors:** White outer layer/ Black inner layer or as per customer requirements.

These features make them a reliable choice for farmers and agricultural setups aiming to enhance water efficiency and irrigation precision.

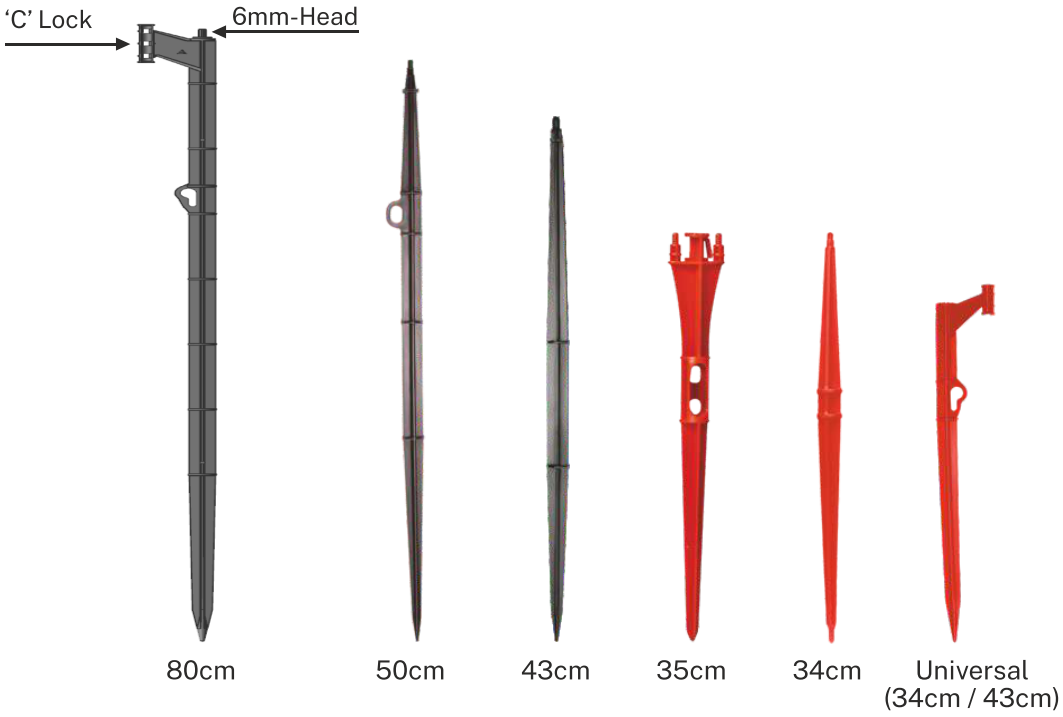

AVAILABLE SIZES

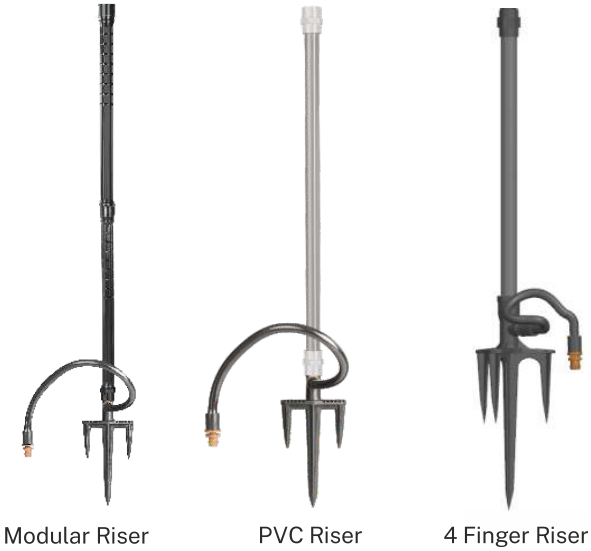

Double Layer Micro Tube	PVC Micro Tube	PE Micro Tube (Black & White)
3.0 X 5.0 mm	3.0 X 5.0 mm	3.0 X 5.0 mm
3.5 X 5.0 mm	4.0 X 6.0 mm	4.0 X 6.0 mm
4.0 X 6.0 mm	4.0 X 7.0 mm	4.0 X 7.0 mm
4.0 X 7.0 mm	8.0 X 12.0 mm	5.5 X 7.5 mm
6.0 X 8.0 mm	-----	6.0 X 8.mm

Micro Sprinklers Accessories

A wide range of micro sprinklers accessories to complete your irrigation system for different applications.

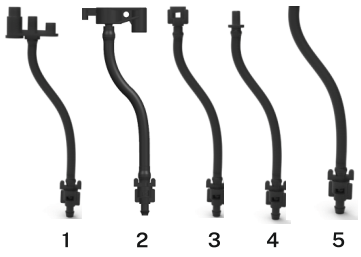

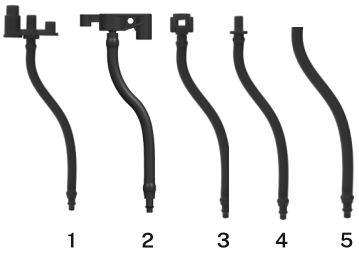

Micro Sprinklers Accessories

4x 7 Push Fit Butterfly Adopter 7x 10 Push Fit Butterfly Adopter		3/8" Threaded Adopter 4 x 7 Bush for 6mm metal Rod	
Female Bayonet 3/8" (for Inverted Use)		Quick Thread Pushfit Connector 8mm	
Female Bayonet Barb 4 x7 Female Bayonet Quick Thread		Male Bayonet	
4 x 7 Barb Pin Connector 6 x 8 Barb Pin Connector 7 x 10 Barb Pin Connector		Bayonet Plug	
1/2" Female Bush Adopter		Pushfit Connector Barb 4x 7	
3/8" Threaded Adopter (Quick Thread 4 x 7) 3/8"Threaded Adopter (Quick Thread 5 x 8)		3/8" Threaded Adopter (push fit)	
3/8" Threaded Adopter (6 x 8 mm Barb)		3/8"Threaded Adopter (Barb 4/7 x 1/2"Thread)	

Tube Assembly (Available Length : 60, 75, 100cm, 120cm) Standard Tube Length 60cm

With Male/Female Bayonet			With Barb Pin Connector		
1	60cm Tube + Butterfly Adopter		1	60cm Tube + Butterfly Adopter	
2	60cm Tube + 3/8" Threaded Adopter		2	60cm Tube + 3/8" Threaded Adopter	
3	60cm + Female Bayonet		3	60cm + Female Bayonet	
4	60cm Tube + Pushfit Adopter Quick Thread		4	60cm Tube + Pushfit Adopter Quick Thread	
5	60cm Tube Plain End		5	60cm Tube Plain End	

Tube Assembly for Inverted installations (Available Length : 30 & 60cm) Standard Tube Length 30cm

With Male/Female Bayonet				With Barb Pin Connector			
	30cm Tube + Female Bayonet		30cm Tube + Pushfit Adopter		30cm Tube + Female Bayonet		30cm Tube + Female Bayonet
